DIRECTIONS FROM THE CLEVELAND AIRPORT

- As you leave the Airport parking lot, follow the signs to I-71 South and I-80, which is the Ohio Turnpike. As you follow I-71 South, the entrance to the Turnpike comes up quickly following Pearl Road. Take I-80, the Ohio Turnpike East toward Youngstown.
- Stay on the Turnpike until Exit 15, where I-80 leaves the Turnpike and heads East toward New York City. Stay on I-80 East into Pennsylvania.
- About 5 miles into Pennsylvania, take Exit 4A / Rt. 60 South toward New Castle / Pittsburgh. Follow Rt. 60 South about 12 miles, by which time it has become Rt. 60 / Rt. 422 South. At this point, stay to the left, following Rt. 422 East as you see Rt. 60 exit from the highway to the right toward Pittsburgh. Now follow Rt. 422 East about 5 miles, until it ends. As it ends, you'll want to stay to the left, toward New Castle.
- As you travel North on Butler Avenue, you'll see a Comfort Inn on the left in about 3/4 of a mile. If you travel another 1/4 mile, you'll see Blair on the right hand side, before you reach the BP gas station. Pull into our office parking just after the wooden fence.
- If you have questions, call us at (724) 658-2611.
- The total trip is about 90 miles.
