## DIRECTIONS FROM THE PITTSBURGH AIRPORT

- As you leave the Airport parking lot, get in the right hand lane and take the entrance ramp onto Rt. 60 North.
- Follow Rt. 60 North about 30 miles, continuing past the entrance to the Pennsylvania Turnpike. You'll pass through 2 toll booths that will charge you 50 cents, then \$1.00.
- After the second toll booth, you'll cross over a bridge. On the other side, exit Rt. 60 North onto Rt. 422 East - toward New Castle / Butler. Follow Rt. 422 East about 5 miles, until it ends. As it ends, stay to the left, which takes you toward New Castle.
- As you travel Northwest on Butler Avenue, you'll see a Comfort Inn on the left in about 3/4 of a mile. If you travel another 1/4 mile, you'll see Blair on the right hand side, before you reach the BP gas station. Pull into our office parking just after the wooden fence.
- If you have questions, call us at (724) 658-2611.
- The total trip is about 55 miles.
